	391	Overdose on the internet <i>H Poncia, J Ryan</i>
	392	Excessive morphine requirements after pre-hospital nalbuphine analgesia <i>N Robinson, N Burrows</i>

### Notice • Correction

Later this year we are starting a section at the front of the journal called "In this issue". This will contain short paragraphs about some of the papers in the journal and give an idea of the contents and importance of the papers. They will not be abstracts but rather brief explanations to whet the appetites of readers.
