Contents

Editorial

166 Caring to the end?
G Hughes

Commentaries

167 The College of Paramedics (British Paramedic Association) position paper regarding the Joint Royal Colleges Ambulance Liaison Committee recommendations on paramedic intubation
M Woillard, R Farber, on behalf of the Council of the College of Paramedics

171 Joint Royal College Ambulance Liaison Committee Airway Working Group commentary
M Jackson

172 Prehospital airway management
M Fitzgerald

Review

173 The implications of the NICE guidelines on neurosurgical management for all severe head injuries: systematic review
H Barratt, M Wilson, F Moore, R Raine

Personal view

179 Hostel emergency medicine in Iran
B Geary

Commissioned Series

181 Urgent care and the patient
C Salisbury, A Coulter

183 Alternative services to deliver urgent care in the community
S Mason, H Sneeks

186 Access to urgent health care
C Salisbury, D Bell

189 Secondary care and changing the face of emergency care
D Bell, S Mason

Original articles

191 Provision of trauma teams in Scotland: a national survey
J Heronsby, T Quasim, N Digon, A Puxty

194 Point of care troponin decreases time in the emergency department for patients with possible acute coronary syndrome: a randomised controlled trial
C Lenon, J Attia, C Huttick, J Marley, P McElduff

199 Alcohol intoxication at a university hospital acute medicine unit—with special consideration of young adults: an 8-year observational study from Switzerland
M Haberkorn, A K Exadaktylos, H Marty

203 What factors are associated with repeated domestic assault in patients attending an emergency department? A cohort study
A Boyle, C Frith, D Edgcombe, C McDougall

207 Things that go bump … bump … bump: an analysis of injuries from falling down stairs in children based at Sheffield Children’s Hospital
E Doherty, A Hassan, D Burke

209 Elevated serum S100B levels in acute spinal fracture without head injury
S J Lee, C W Kim, K J Lee, J W Choe, S E Kim, J H Oh, Y S Bark

213 To ED or not to ED: NHS 24 referrals to the emergency department
R Cook, S Thekore, W Morrison, J Meikle

216 Temporal and spatial characteristics and treatment strategies of traumatic brain injury in Wenchuan earthquake
J Gu, W Yang, J Cheng, T Yang, Y Qu, Y Kuang, H Huang, L Yang, W He, L Min

221 Surveying young patients
T Foster, V Maillaret

Short report

224 Sonographic diagnosis of epiglottal enlargement
F Bektas, S Soyuncu, O Yigit, M Turhan

Prehospital care

226 A critical reassessment of ambulance service airway management in prehospital care: Joint Royal Colleges Ambulance Liaison Committee Airway Working Group, June 2008
C D Deakin, T Clarke, J Nolan, D A Zideman, C Gwinnutt, F Moore, M Ward, C Keeble, W Blance

234 From the prehospital literature
M Woillard

EMJ March 2010
