Volume 31 Issue 3 | EMJ March 2014

Primary survey
175 Highlights from the issue
S Goodacre

Commentary
176 Trial registration: must take place before or at the onset of enrolment
S Goodacre

Original articles
177 Intravenous paracetamol versus dexketoprofen versus morphine in acute mechanical low back pain in the emergency department: a randomised double-blind controlled trial
C Eken, M Sremin, H Elicabuk, E Uyanik, M Erad

182 Intravenous paracetamol versus dexketoprofen in acute migraine attack in the emergency department: a randomised clinical trial
I Turkcev, M Sremin, C Eken, A Yilmaz, O Akgar, E Uyanik, C Kiray, H Elicabuk

186 Association of out-of-hospital advanced airway management with outcomes after traumatic brain injury and hemorrhagic shock in the ROC hypertonic saline trial
H E Wang, S P Brown, R D MacDonald, S K Dowling, S Lin, D Davis, M A Scheiber, J Powell, R van Heest, M Daya

192 Developing a multidisciplinary approach within the ED towards domestic violence presentations
S Bassa, G Randolf

196 Screening methods to detect child maltreatment: high variability in Dutch emergency departments

201 Mortality and morbidity after high-dose methylprednisolone treatment in patients with acute cervical spinal cord injury: a propensity-matched analysis using a nationwide administrative database
H Chikuda, H Yasunaga, K Takeshina, H Horiguchi, H Kawaguchi, K Ohe, K Fushimi, S Tanaka

207 Association between ASA grade and complication rate in patients receiving procedural sedation for relocation of dislocated hip prostheses in a UK emergency department
N Dawson, A Dewar, A Gray, A Leal, on behalf of the Emergency Medicine Research Group, Edinburgh, UK

210 Features and predictors of myocardial injury in carbon monoxide poisoned patients
Y S Cha, K C Cha, O H Kim, K H Lee, S O Hwang, H Kim

216 Comparison of resident and mid-level provider productivity in a high-acuity emergency department setting
K Hamden, D Jaenemann, D Guathner, R Jaenemann

Prehospital care
220 Ambulance call-outs and response times in Birmingham and the impact of extreme weather and climate change
J E Thompson, P A Fisher, T Raymert-Bishop, C Smith

229 Are physicians required during winch rescue missions in an Australian helicopter emergency medical service?
P B Sherring, C Hayes-Bradley, C Reid, B Burns, K Halg

233 The delivery of the new prehospital emergency medicine curriculum: reflections on a pilot programme in the UK
C McQueen, M Wyse

Short report
238 How emergency physicians use biomarkers: insights from a qualitative assessment of script concordance tests
Y E Claessens, S Wnnen, S Gestin, X Magdelaine, E Ferretti, M Guilly, B Charlton, T Pelaccia
