

# Archives of Emergency Medicine

March 1989, Vol. 6, No. 1, pp. 1-82

## Contents

|  |  |    |
|--|--|----|
| J. P. SLOAN, R. HAIN & R. POWNALL            | Clinical benefits of early cold therapy in accident and emergency following ankle sprain                               | 1  |
| D. I. FODDEN, R. C. PEATFIELD & P. L. MILSOM | Beware the patient with a headache in the accident and emergency department  | 7  |
| L. C. KNIGHT & T. H. J. LESSER               | Fish bones in the throat   | 13 |
| F. MORRIS                                    | Do head-restraints protect the neck from whiplash injuries?  | 17 |
| D. DACRUZ & C. HOLBURN                       | Serum potassium responses to nebulized salbutamol administered during an acute asthmatic attack                        | 22 |
| L. A. MCKINNEY, J. O. DORNAN & M. RYAN       | The role of physiotherapy in the management of acute neck sprains following road-traffic accidents                     | 27 |
| T. G. BARRETT & C. H. VAUGHAN WILLIAMS       | Use of questionnaire to obtain an alcohol history from those attending an inner city accident and emergency department | 34 |
| P. W. RICHMOND, A. SKINNER & A. KIMCHE       | Children's car-restraints: use and parental attitudes  | 41 |
| P. FREELAND                                  | Scaphoid tubercle tenderness: a better indicator of scaphoid fractures?  | 46 |
| G. J. GARDNER                                | A study of the knowledge of radiological anatomy of senior house officers in accident and emergency medicine           | 51 |
| K. H. HAN & A. K. MAITRA                     | Ankle swelling is not always 'medical'   | 56 |
| S. R. ELL & D. YATES                         | Marinefish stings  | 59 |
| R. O. Bishop & P. L. GAUDRY                  | Prolonged Q-T interval following astemizole overdose   | 63 |
| S. J. WALKER & R. H. JOHNSON                 | Traumatic hemisomato-tmesis: a case report and review of the literature  | 66 |
| <b>Book reviews</b>                          |  | 70 |
| <b>Letters to the editor</b>                 |  |    |
| G. J. Gardner & S. COGLAN                    | An unusual case of fracture of the radius  | 74 |
| P. BURDETT-SMITH                             | SHOs' performance on diagnosing X-ray abnormalities  | 75 |
| F. T. DE DOMBAL                              | Computer-unaided diagnosis of acute abdominal pain in an accident and emergency department                             | 77 |
| G. F. TURNER, G. WARD & P. WILSON            | The use of breath alcohol analysers for diagnosis in the accident and emergency department                             | 78 |
| <b>Forthcoming events</b>                    |  | 80 |

## Number 2: June 1989

### Editorial

#### Special article

P. LANE Trauma is not a surgical disease

T. J. UNDERHILL A review of trauma deaths in an accident and emergency department

N. S. JONES An audit of the management of 250 patients with chest trauma in a regional thoracic surgical centre

M. W. G. GORDON, C. LUKE, C. E. ROBERTSON & A. BUSUTTLIL  
An audit of trauma deaths occurring in the accident and emergency department

A. P. MONTAGUE & S. C. BROOKS One year's trauma in a district general hospital: injury severity and survival

M. G. DUNLOP, T. F. BEATTIE, P. G. PRESTON & D. J. STEEDMAN  
Clinical assessment and radiograph following blunt chest trauma

J. HEYWORTH Conjunctival oxygen monitoring during cardiopulmonary resuscitation

C. J. HOLBURN & M. J. ALLEN Pulse oximetry in the accident and emergency department

M. J. CLANCY A study of the performance of cricothyroidotomy on cadavers using the Minitrach II

A. M. DALTON, A. SHARMA & R. TOUQUET Notting Hill Carnival 1988

#### Equipment review

M. T. WATTS & A. MULIRA The use of a new design irrigator for the emergency treatment of chemical eye injuries in an accident and emergency department

#### Book reviews

#### Letters to the Editor

## Number 3: September 1989

|   |     |
|---|-----|
| Guest Editorial: W. S. Copes, W. J. Sacco & H. R. Champion  | 165 |
| Guest Editorial: Architectural glass injuries: a case for effective prevention by<br>A. Maitra & K. Han   | 169 |
| G. I. J. M. BEERTHUIZEN, R. J. A. GORIS & F. J. A. KREUZER Skeletal muscle<br>$P_{O_2}$ during imminent shock   | 172 |
| M. D. FEHER, P. GROUT, A. KENNEDY, R. S. ELKELES & R. TOUQUET<br>Hypoglycaemia in an inner-city accident and emergency department: a<br>12-month survey           | 183 |
| P. BURDETT-SMITH, K. ROWLAND, K. W. WOODHOUSE & A. K. MAITRA A<br>comparative study of the elderly patients in an accident and emergency<br>department            | 189 |
| C. A. J. McLAUCHLAN, P. A. DRISCOLL, F. WHIMSTER, D. S. DYMOND &<br>D. V. SKINNER Effectiveness of the call-out system for a London Coronary<br>Ambulance Service | 193 |
| T. J. UNDERHILL, A. WAN & M. MORRICE Interscalene brachial plexus<br>blocks in the management of shoulder dislocations  | 199 |
| M. J. CLANCY & R. N. ILLINGWORTH The diagnosis of ectopic pregnancy in<br>an accident and emergency department  | 205 |
| M. A. LAMBERT & J. CRINNION The role of pulse oximetry in the accident<br>and emergency department  | 211 |
| N. J. START, A. M. ARMSTRONG & W. J. ROBSON The use of chromic catgut<br>in the primary closure of scalp wounds in children                                       | 216 |
| A. L. GOURDIE, C. E. ROBERSTON & A. BUSUTTIL Sudden death in young<br>people due to hypertrophic cardiomyopathy   | 220 |
| R. D. PAGE & R. H. LYE Stab wound of the neck: potential pitfalls in<br>management  | 225 |
| <b>Letters to the editor</b>  |     |

## Number 4: December 1989

|  |     |
|--|-----|
| Editorial: Trauma to the spleen by D. C. S. Gough  | 237 |
| M. R. JAMES & N. PYRGOS Nurse practitioners in the accident and emergency department   | 241 |
| A. M. DALTON, A. SHARMA, M. REDWOOD, J. WADSWORTH & R. TOUQUET<br>Does the warming of local anaesthetic reduce the pain of its injection                           | 247 |
| P. H. BRAKENBURY & C. MUWANGA A comparative double blind study of amoxicillin/clavulanate <i>vs</i> placebo in the prevention of infection after animal bites      | 251 |
| A. BEWLEY, M. J. CLANCEY & J. R. W. HALL The erroneous use by an accident and emergency department of plain abdominal radiographs in the diagnosis of constipation | 257 |
| A. M. LEAMAN & D. GORMAN Cantharis in the early treatment of minor burns   | 259 |
| SPECIAL ARTICLE G. M. GALVIN & G. A. JELINEK The impact of the America's Cup on Fremantle Hospital   | 262 |
| J. WASSERBERGER, J. G. ORDOG, M. KOLODNY & K. ALLEN Violence in a community emergency room   | 266 |
| M. A. LAMBERT An arresting injury  | 270 |
| D. F. MCGEEHAN, J. N. CRINNION & D. R. STRACHAN Life threatening stridor presenting in a patient with rheumatoid involvement of the larynx                         | 274 |
| M. REICHL Septic arthritis following puncture wound of the foot  | 277 |
| <b>Book Reviews</b>  | 280 |
| <b>Letters to the editor</b>   | 285 |
| <b>Indexes to Volume 6</b>   | 292 |
